

REMARKS

1. The Notice to File Corrected Application Papers states that the drawings have lines that are too fine to admit of reproduction, and that some of the figures are too dark. The figures have been redrawn to conform to the Office's request. The Office is requested to accept the drawings and pass the application to examination. The Office is invited to contact the undersigned attorney for Applicants via telephone if such communication would expedite this application or would be helpful to the Office.

Respectfully submitted,
